Case Scenarios in Pediatrics

20 - 22 March 2019

Dusit Thani Hotel
Dubai, UAE

Welcome Message

We are delighted to welcome you to The Seventh International Pediatric Conference organized by KidsHeart Medical Center In-Affiliation-With New York Presbyterian Kids/ Morgan Stanley Children's Hospital, and Columbia University Medical Center.

Over the course of three days, renowned speakers from Columbia University Medical Center, will join forty one expert speakers from Europe, the UAE, and the region, to collaborate and discuss case simulations in general and pediatric subspecialties. 'Case Scenarios in Pediatrics', the theme of the conference, will deliver twenty four interactive lectures, and fourteen courses and workshops in twenty pediatric specialties.

The Conference will highlight the mission and tradition of KidsHeart Medical Center, a pillar in pediatric specialty care in the UAE. Through its branches in Abu Dhabi and Dubai, and with the support of its sister facility The Heart Medical Center, in Al Ain, we aim to deliver a high quality of care to our patients.

We are particularly proud to collaborate, for the seventh year, with our affiliate hospital New York Presbyterian Kids/ Morgan Stanley Children's Hospital, as well as with Columbia University College of Medicine and Surgeons, one of the oldest and most-prestigious medical schools in the world. Through its hospitals in New York, and its joint programs with KidsHeart Medical Center, Columbia aims to bring its exceptional medical care, education, and research to the UAE.

Welcome to our Seventh International Pediatric Conference, held in the beautiful city of Dubai. We hope to build bridges for collaboration and sharing of knowledge. With your active participation, we are confident the conference will be rich and successful.

Mohamed M

Dr. Mohamed Hamdan

Chairman of the Organizing Committee

Sulaiman

Dr. Mohamed Sulaiman

Chairman of the Scientific Committee

Topics / Who Should Attend?

1. Adolescent Medicine.
2. General Pediatrics.
3. Neonatology.
4. Pediatric Allergy Immunology.
5. Pediatric Cardiology.
6. Pediatric Critical Care.
7. Pediatric Dermatology.
8. Pediatric Emergency Medicine.
9. Pediatric Endocrinology.
10. Pediatric ENT.
11. Pediatric Hematology / Oncology
12. Pediatric Gastroenterology.
13. Pediatric Genetics.
14. Pediatric Ophthalmology.
15. Pediatric Orthopedics.
16. Pediatric Infectious Disease.
17. Pediatric Neurology & Psychiatry.
18. Pediatric Radiology.
19. Pediatric Rheumatology.
20. Pediatric Surgery.

Who Should Attend?

- Pediatricians
- Neonatologists
- Family Physicians
- General Practitioners
- Nurses & Midwives
